Education

2015-2016

HSC

KAP viswanatham hr sec school

2016-2020

B.E(EEE)

K.Ramakrishnan college of technology

Skills

- JavaScript, HTML, CSS
- React.js, Redux
- Git
- gatsby , figma
- AWS S3, AppSync, DynamoDB, Lambda, IAM role
- REST APIs , GraphQL

Language

English

Tamil

Experience

2022 - present

Sataiva Technologies

Full Stack Developer

- Developed and maintained web applications using React.js, Redux, and JavaScript
- Worked with AWS services including S3, AppSync, DynamoDB, Lambda, and IAM role to build scalable and secure applications
- Collaborated with cross-functional teams to gather requirements, design solutions, and deliver projects on time and within budget
- Implemented responsive web design and UI/UX design principles to enhance user experience
- Used Git for version control and collaborated with team members on code reviews and pull requests

2022(jan)-2022(apr)

Thinroot Software pvt Lmt

Intern

- Working with senior developers to implement new features and designs using React.js
- Writing clean, maintainable code and adhering to established coding standards
- Conducting code reviews and debugging issues as needed
- Documenting code changes and updates
- Writing technical documentation for internal and external use

2020-2021

Three Phase Engineering Solutions

Testing and Comissioning

- Conduct street light surveys to collect data on lamp holders, wiring, and other relevant information
- Use GPS location tracking to capture the exact location of each lamp holder
- Ensure data accuracy and completeness by conducting thorough surveys and checking for errors
- Prepare reports detailing the results of the street light surveys and GPS location tracking
- Work closely with other members of the team to coordinate surveying activities and ensure project success
